Name: _____

Street Address: _____

City: _____ State: _____ ZIP Code: _____

Cell Phone: _____ Email Address: _____

FAA UAS Number: _____ AMA Number: _____

New Member ☐ Renewal ☐ Aircraft Flown: RC (only) ☐ Control Line (only) ☐ RC & Control Line ☐

NOTE: PER THE DCR, NO DRONES (MULTI ROTOR) ARE ALLOWED TO FLY ON ANY DCR PROPERTY, INCLUDING THIS SITE

I agree to abide by the Academy of Model Aeronautics (AMA) Safety Code and by the 107th RC Flyers Club Rules. I am an AMA member and will maintain currency for the duration of the membership year.

- The flying site located at/near 1330 Salem Turnpike is an FAA Recognized Identification Area (FRIA). This designation will satisfy the remote ID requirement for anyone flying at your club's site. Please fly your RC aircraft in the designated FRIA coordinates on **Page 2**.
- All new members must go through the AMA flight training program with the 107th RC Flyers Club Instructors and be signed off before solo piloting is permitted.
 - Existing members with difficulty flying in a safe and controlled manner may also be asked to go through the flight program by the Officers.
- All keys provided to members by the club remain the property of the 107th R/C Flyer's Club and must be surrendered immediately if requested by the current club President or Vice President.
- **All members MUST visibly wear their membership badge while flying at the field.**
- ****Everyone is responsible for CLOSING AND LOCKING the front gate. This is a DCR requirement for our use of the field****

NOTE: If you were once a member you are consider a former member and you are not subject to pay the \$30 initiation fee just pay the Annual Club Dues. Our fiscal year runs from January 1 to December 31

Please check the boxes best apply to your dues:
